

## THE ELASTIC FIXING TAPE WITH VERY HIGH HOLDING POWER

The **SoftTIE STRAPS** is a highly elastic and reusable fixation tape with a dimensionally stable quick-release fastener for securing, bundling and fixing. The elastic band makes it possible to apply a pre-tension, which means that the **SoftTIE STRAPS** holds securely even on extremely smooth surfaces. The attachment holds securely even with moving applications, vibrations or impacts. The **SoftTIE STRAPS** is the perfect addition to our existing portfolio, with the clear focus on a very quick and easy assembly that is also easy to solve.

## THE NEW EASYLOCK-CLOSURE

SoftTIE STRAPS with EASYLOCK - closure are particularly easy to close and open.

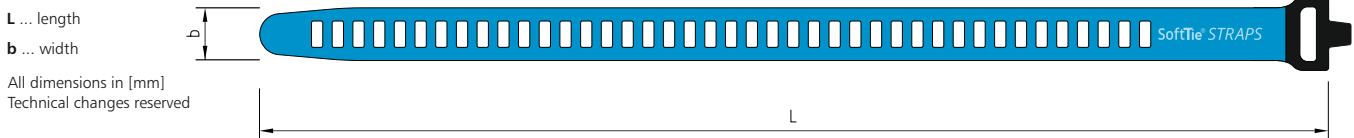

Wrap around the objects and thread the ribbon through the closure opening. The locking tab should point towards you. Now pull on the end of the band and stretch it as far as necessary. Now secure the tape to the protruding tab.

## THE PRODUCT RANGE

SoftTIE STRAPS are available in a bandwidth of 28mm (XL series).

SoftTIE STRAPS - XL-SERIE				properties			package size			
item	type	b	L	bundle Ø	min. force	weight	x-small	small	medium	large
